

Ma Jinyi

Areas of Research

Landscape planning and design (planning and design of Green space; Planning and design of agricultural park)

Contact Information

Office location: Room 208, The Third Laboratory (Mailing Address: College of Horticulture, Nanjing Agricultural University, No.1 Weigang, Nanjing City, Jiangsu Province)

Office phone: 13776685085

Email address: majinyi2008@njau.edu.cn

Research Interests

Planning of Open space system; Planning and design of park; Design of garden; Planning and design of agricultural park

The following is an introduction to the scientific research projects I host or participate in:

1. green space planning and design

Planning of Green Space System of Sheyang County

Planning and Design of Baguazhou Wetland Park in Nanjing

Aquatic Flower Design of Shanghai Flower Port Park

Planning and Design of Jinyunzhuang Mine Park in Yixing City

Reconstruction Design of Huixi Park in Yuxi

Planning and Design of Shangren Lake Theme Cultural Park in Jiangdu

Plaza Design of Culture and Art Center in Suqian

Landscape Design of Meihua Avenue in Lishui, Nanjing

Planning and Design of the Campus Green Space of Nanjing Agricultural University

Planning and Design of Nanjing University of Aeronautics and Astronautics Headquarters and Jiangning Campus

Planning and Design of the Campus Green Space of Anhui Wanxi College

Garden Design of Naval Command Academy

Garden Design of Jinniu Lake Water Sports Training Base of Jiangsu Sports Bureau

Garden Design of Jiangdu Maritime Department of Yangzhou Maritime Safety Administration

Garden Design of Xinyi "Yupin Mingzhuang" Factory

Garden Design of Nanjing Agricultural University Bioengineering Company
Garden Design of Zhenjiang Land and Resources Bureau
Garden Design of Jiangnan Rural Garden in Shanghai
Garden Design of Nanjing Branch of the People's Bank of China
Roof Garden Design of Nanjing Hongwu Building
Garden Design of Nanjing Hongtu Shangshui Villa

2. Planning and design of agricultural park

Planning and Design of Chongming Ecological Park of Shanghai Caohejing Development Zone
Master Plan of Jindong National Leisure Agriculture Park in Jinhua City, Zhejiang Province
Planning of Gaoyue Modern Agriculture Demonstration Zone in Huaibei, Anhui
Planning of Shitai Modern Agriculture Demonstration Park in Huaibei, Anhui
Planning and Design of Niushan Circular Agricultural Science and Technology Park in Tongling, Anhui
Planning of Yifeng Ecological Agricultural Sightseeing Park in Shandong
Planning and Design of Jiangsu Frontier Ecological Farm
Master Plan of Hushu Modern Agricultural Industry Demonstration Park in Nanjing
Planning and Design of Hushu Chrysanthemum Theme Park in Nanjing
Planning of Jinniuhu Creative Agricultural Park in Luhe ,Nanjing
Master plan of the Baima Teaching and Research Base of Nanjing Agricultural University
Planning and Design of Nanjing Fujiabian Agricultural Science and Technology Park
Planning of Taihu Oasis Ecological Agriculture Park in Suzhou
Suzhou Chenghu Modern Agricultural Science and Technology Park Sanjiazui Ecological Leisure Park Planning
Planning of Crop planting resource protection and new variety display base in Suzhou
Master Plan of Wuxi Taihu Export-oriented Agricultural Demonstration Zone
Planning and Design of Huadong Baichang Ecological Leisure Park in Yixing
Master Plan of Xingwang Agriculture and Animal Husbandry Circular Ecological Agriculture Industrial Park in Yixing
Planning of Jinshan Ecological Agriculture Industrial Park in Yixing
Planning of Dushan Modern Agricultural Park in Yixing
Master Plan of Luyang Lake Ecological Protection and Comprehensive Development Core Park in Yangzhou
Master Plan of Shangren Lake Modern Ecological Agricultural Tourist Sightseeing Area in Jiangdu
Planning of Jiahe Agricultural Science and Technology Park in Xinyi
Planning and Design of Dieshiqiao Grape Science and Technology Ecological Leisure Park in Nantong
Planning and Design of "Land of Idyllic Beauty" Leisure Ecological Park in Nantong
Master Plan of Yancheng Modern Agricultural Zone
Planning and Design of the Core Area of Luoma Lake Modern Ecological Agriculture Demonstration Zone in Suqian
Planning of New Socialist Countryside in Shangtang Village, Jintan , Jiangsu

Planning of "Ten Mile Leisure Farmhouse" by Fujiabian in Lishui, Nanjing
Planning and Design of Fujing Ecological Park in Nanjing

Education Background

Bachelor: Nanjing Agricultural University

Work Experience

Campus Greening Management, General Affairs Office, Nanjing Agricultural University, 1987-1994

Lecturer, Department of Landscape Architecture, College of Horticulture, Nanjing Agricultural University, 1994-2000

Associate/Full/Distinguished Professor, Department of Landscape Architecture, College of Horticulture, Nanjing Agricultural University, 2000-

Honors and Awards

The multimedia teaching courseware of "Garden Sketches" won the third prize of the Nanjing Agricultural University Contest, and the Good Courseware Prize of the "Founder's Cup" Multimedia Teaching Courseware Contest of Jiangsu Colleges and Universities, 2002

Annual Teaching Award of Nanjing Agricultural University, 2002

"Landscape Planning and Design" won the 2005 National Excellent Textbook Award for Higher Agricultural Colleges by China Agricultural Science and Education Foundation, 2006

Nanjing Agricultural University 2006-2007 academic year 2 Excellent comprehensive evaluation of teaching quality, 2007

Excellent Graduation Thesis (Design)/Guidance of the 2009 Class of Nanjing Agricultural University, 2009

Nanjing Agricultural University 2009-2010 academic year 1 Excellent comprehensive evaluation of teaching quality, 2010

Nanjing Agricultural University 2012-2013 academic year 1 Excellent comprehensive evaluation of teaching quality, 2013

Nanjing Agricultural University 2013-2014 academic year 2 Excellent comprehensive evaluation of teaching quality, 2014

Nanjing Agricultural University 20014-2015 academic year 2 Excellent comprehensive evaluation of teaching quality, 2015

Excellent Graduation Thesis (Design)/Guidance of the 2009 Class of Nanjing Agricultural University, 2016
